- Create a web page with links to your articles, searches, and publications.

Marked Documents

[Recent Searches](#) | [Visited Publications](#)

Marked Documents lets you save documents you find useful. To add documents to your marked items:

- With Results displayed--Select the check box to the left of a document title.
- With a document displayed--Select the "mark document" check box on the document display page.

Once you have documents marked, you can create your bibliography, email marked documents, export citations, or create a web page with links to your articles.

* The maximum number of documents you can save is 50.

Visited Publications displays the publications that you have viewed during your session. To add publications:

- Enter a publication search.
- Click on publication titles to view details.
- Links to your recent searches will be included here.

Once you have items listed in your visited publication, you can create a web page with links to your publications.

To: Jabr, Fadey S.
Subject: IBM - IT Matrix

Fadey, my initial search did not find a smoking gun but I think it would be worthwhile to take a quick look at some of the articles/information below before deciding your next steps. I think this is the product/service offering from IBM that you are looking for <http://www-1.ibm.com/services/us/index.wss/offering/its/a1000198> IT Consolidation Services.
